Gowned in white, with wrist knots of pink sweet peas and ferns, the ladies presented a charming picture. Carnations, roses and ferns carried out a beautiful color scheme of pink and green throughout the hall.

During the social hour that followed the installation of officers Gene Weber, accompanied by Miss Ha Danielson at the piano, charmed the gathering with his rendition of "Summer Rain" and "Sunset Trail." Mrs. Christensen gave two enjoyable readings, "More Truth Than Poetry" and "The Cow."

SCHOOL NEWS

HIGH SCHOOL The summarized data based on an arithmetic survey carried out in all of the seventh, eighth and ninth grades of the city of Los Angeles by the use of the standard achievement computation reasoning tests rated the children of the Torrance junior and senior high school a good margin above normal.

The public speaking class under the instruction of Miss Alta B. Hall, which meets every Wednesday evening, is progressing wonderfully. There is a large enrollment. Anyone may visit this class.

The evening art class will be discontinued on Feb. 28. Miss Chase finds it impossible to hold both day and night sessions, and the principal is unable to locate anyone to take her place. Any information regarding an art teacher who may be employed will be appreciated by Mr. Barnett.

In a few days a millinery class will be announced. It is hoped there will be sufficient attendance to warrant both an afternoon and an evening class. The time of meeting will be determined by the ladies attending.

At a girls' league meeting on Friday it was decided to hold a contest beginning with the new semester to get the uniform dress more thoroughly established. The contest will be judged on a percentage basis, with a pennant for the prize.

The Girls' League held a candy sale on Thursday. The proceeds will be used to welcome the incoming class from 6A.

The sophomore boys have challenged the girls to a debate on the subject, "Resolved: that all immigration to the United States should be stopped for five years." This promises to be quite a battle.

ELEMENTARY SCHOOL There will be a change in the faculty on Feb. 28. Mrs. Edna Tuttle is leaving to take up university work, and it is probable that Mrs. Stella Young will teach at the high school. Miss Juliet Young, from San Pedro, will replace one of these.

The monthly payroll at the elementary school for teachers alone is \$2,746.10. This does not include janitors or anything at all but teachers, and this will be increased in February.

On Wednesday afternoon the teachers gave a party to the 40 graduating pupils of A6 in the kindergarten rooms. Games were enjoyed from 2 to 3 o'clock, and at this time all teachers and the 40 guests were seated at tables and served ice cream and cake, which was furnished by the teachers.

All children are being weighed and their height measured to ascertain what their gain is. This is done three times a year.

On Thursday the indoor baseball team played the Carson Street school at Carson street, the score being 13 to 15 in favor of Torrance.

Last week was good posture week. A good posture parade was reviewed on the soccer field. The prize for marching was awarded Mrs. Behymer's room, and the one for standing position to Mrs. Lay's room. Mr. Bell, Miss Ingle and Miss Thomas were judges.

A6 is now taking first aid and caring for all injuries at the school. Miss Ingle is the directress.

Kindergarten Tots In Show Tonight

All 80 children enrolled in the kindergarten will take part in an entertainment tonight in the high school auditorium. The proceeds will be added to a fund to be used in making a success of the international kindergarten convention which will be held in Los Angeles in midsummer of this year.

Admission is 25 cents for adults and 15 cents for children. The first numbers will be by a 20-piece orchestra of kindergarten children, the second a Japanese dance by pupils of Miss Brown's room.

Musical numbers, including violin duets and xylophone solos by Fred-

erick Shidler, will then precede the dramatization of Mother Goose rhymes. The first grade pupils under the direction of Mrs. George will next perform, and will be followed by dancing numbers by the Louise School of Dancing of San Pedro. A piano solo by Robert Hines and the Children's Folk by the kindergarten will complete the program.

Mrs. O. E. Hunt of 257th street and Mrs. F. F. Ferguson of Redondo boulevard attended the installation Saturday evening of the officers of Ocean Queen Rebekah Lodge at San Pedro.
